

EXTRAVAGANZA 2018

STERLING Gym

Saturday, June 9, 2018

Wow, another season is about to end! This year's Extravaganza Finale is scheduled according to your class, on Saturday, June 9th, with designated times to arrive for Jungle Gym, Amazing Acrobats, Ninjas and Circus Arts athletes. Sterling Gym's Extravaganza, which is a **FREE EVENT**, gives all athletes a great opportunity to show their families all the skills they have learned through the year. After rotating through the circuits set up in the gym, all athletes will receive a well-deserved medal from their coach to commemorate their successful season here at Sterling Gym. To top it all off, a refreshing make-your-own ice cream sundae will be waiting for all athletes as they exit.

**Please note this event will be held in the Main Gym. We appreciate your patience and cooperation in helping us maintain a safe environment for all athletes and guests at all times. Please see below for schedule.*

Be your own photographer! Bring a camera and take your own pictures of your little one doing their favorite gymnastics poses up close, or get a great shot with your child's favorite instructor!
